

Ikea Day Bed (150 USD)

Location **Utah**
<https://www.genclassifieds.com/x-373821-z>

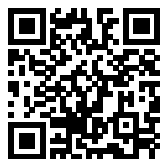

This Ikea Day Bed is very versatile. It converts from a couch to a twin bed to a king bed. Three drawers work in both positions. The sides and back are bead board. It is a great alternative to a couch with a pull out bed. The mattresses are much more comfortable than a sleeper sofa too. Competitively priced at half of.
