My name is charity Muhm and I am a new up and coming small business Photographer. I am currently in the process of receiving my certificate of photography from the New York Institute of Photography. I do all types of Photography except anything in the nude. I am willing to negotiate pricing and I will come to your house or location of choosing for the photo shoot. My hours of availability vary but I am almost always open in the evenings. Thanks for reading and I look forward to working with you.
