

## **Antique bedroom set**

Location **Virginia** https://www.genclassifieds.com/x-373896-z

Selling a beautiful bedroom set that includes 2 twin beds (headboard, rails footboard), dresser and mirror that sits on top as well as a side chair. All pieces are in excellent condition with the original paint. Made by Northern Furniture Company in the early 1900's. This has been in one of my spare bedrooms and never.
