Extra large loft 2 bed/2 bath apartment with remarkable downtown views and plenty of space for you and your pets!

\$1395 includes water, sewer, trash, parking, FiOS hi-speed internet & cable!
Loft style apartment with large bedrooms and plenty of storage space.
Exposed brick, 12 ft ceilings, granite counters
Washer, dryer, dishwasher, microwave, garbage disposal--everything you need!

On-site property management means we know our tenants and we take care of them! Maintenance issues are always handled promptly!

All this, and we're pet-friendly! No pet rent, no size limit (we love big dogs), and on-site dog park.

**I am the current tenant and am posting this on behalf of The Paper Company as they are working with me and allowing me to get out of my lease early since I have lived here for over 4 years. I am moving for a job and hate to leave this place. The pictures included are quite messy because my fiancé and I are trying to pack up and throw away things before our move to Texas.

One thing to note from the pictures is that I have custom cut wood to cover the exposed beams which would normally be open from the top view. I didn't want my cats to fall and have been using it for extra

storage space. I can leave the wood or throw it away. It's up to you!
