

Haul Topsoil with Trailer (United States)

Location **Vermont** https://www.genclassifieds.com/x-374017-z

Hello, I'm looking for someone to haul 2 yards of top soil from green mountain compost to my yard in south burlington. I would like to be able to back a small truck or trailer through two posts which are 7'6" apart and dump to soil in the center area of my yard.!
