Hear the chilling story of how God protect Him from the professional haired hitman.

He is on asylum from his country, he is very outspoken and his outspokenness made him public enemy number (#1) one. He is a man who his government wants dead.

Hear of his real life stories, you will think his life was taken from a screen play or from the movie. Hear how he was stabbed in the stomach, lose a kidney and was successfully operated on by a man who was not qualify to be in the surgical room.

You will be motivated by his story, and from the way he contextualized his life; you will learn to put your experiences in its proper prospective.

To have him speak at your church, at your group (corporate, social and other) or at any function.
