Wonderful 800 sq ft. studio cabin with Horse Creek in the back yard; all remodeled and renovated with full kitchen and bath.

Fully furnished, dishes, linens, 2 log beds, washer/dryer, and a great wood burner that keeps the insulated cabin warm even on the coldest nights.

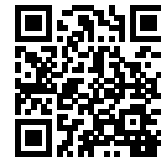

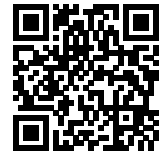

\$550.mo.w/security deposit includes town charges for water, trash, ect.
 for (6 mo.(minimum) to 1 year lease.

Tenant to assume electric & propane (stove and hot water heater)
 Best tenant will be employed, quiet, clean and mature.
 It's a really sweet cabin.

Possible option for Summer only; rental would be adjusted to vacation rates & include all utilities

email: I will reply only if CABIN is in heading. No scammers.

Any personal information you want to include would be helpful in making a renter decision
 thanks
