

Bass Player Needed (vocals a plus) (West End)

Location **Virginia**  
<https://www.genclassifieds.com/x-374149-z>

Established band looking for a pro bassist. We need a reliable person who can commit to 1 rehearsal per week and 3-6 gigs per month. This band is writing originals and performs Modern Alternative cover music! If you want to play "Classic Rock" this may not be the band for you. If you want to have fun and take your music seriously, we look forward to hearing from.
