 1000000 darker but it's fully furnished. The area is new expensive dishes. Tons of  
 1000000 can work in every room. It's furnished with 50 inch TV's. It's a place that gives the  
 1000000 place. It's 7. If you want a quiet/privacy this is the place.

Utilities included except SRP electric which is split. It's around \$15 winter and \$65 summer.

4 people live there now but it always feels like house is empty. Everyone works weird hours and never  
 home. Definitely not a party house. More like the quietest boring house around. All roommates here  
 around 23-31. All professionals. And very very clean! I clean the place 3 times a week. That means I  
 Windex toilet bowls, soft scrub shower tub, vacuum, steamer mop the hard wood floors and everything  
 else. Just do your dishes.
