Looking for someone looking for some pt work, horse stable, must have experience with horses and have cleaned bedded stalls, handyman skills are a huge plus. Jobs will vary as needed 20-25 hrs as needed per week. You must be able to work efficiently and have good communication skills, dependability is a must. If you work a ft job but have some time from 4-5 am to 12-1pm we could make it work. This is a job that is hard work, you must work very efficiently, self motivated and have a good background with horses and their care. Please tell me your most recent experience, i can't train someone that has less than 6 months of full time experience. This position is very important to me , and need someone that strives to take great pride in their work, looking for someone min available every other day. Additional days and hours may be available on a week to week basis.

Also looking for volunteers that enjoy to be around horses to assist in grooming and light ranch chores.

PLEASE CALL FROM 9AM- 1PM ONLY, I WILL CALL YOU BACK ASAP, THANK YOU.
