Amanda misses her baby!

He's been spotted my the new Smiths Station high school, a student chased him by his car a few miles.

It's been 15 days. Lucky is very sensitive & we've never been apart! I have 2 more who are lost too without him!

I have been in my car for 2 weeks everyday some days at least 12, 13 hours a day looking for him.

I can't even focus on my normal daily routines without him. Please, help me look for him. Share and help me find him.

I'm so lost. Luckys 8 years old & sleeps with me, & now he's on the streets!

I am mentally exhausted but I will never give up until I find my Lucky!
