Need to rehome my adorable & fun loving green cheeked conure as my job hours won't allow much time for him.

He's a young adult and though hasn't started talking but does whistle and makes fun sounds. He'll sit on my hand and is very friendly to others. Initially might take a while to trust and warm up to his new surroundings.

Rehoming fee; \$150.

I do have a beautiful wrought iron cage that holds his two stainless steel cups, hardwood perch, along with toys and food.

Cage Dimensions: 18 x 18 x 49 inches
