Neighbor found this sweet guy wandering around, unfortunately cannot keep him at her house until his owners are found so we took him in to help. He is older, seems to have cataracts in both eyes. Very sweet dog. Will be taking him to see if he is microchipped either tomorrow or Monday, depending on if any place is open tomorrow since it is the weekend. If this is your dog, or you know who he belongs to please let me know. Thank you so!!
