Don't have a lot of money..... So here goes..... I've seen posted a time or two someone who changes oil for 20\$ and I am willing to pay that much as well as change my two front brakes as well for 20\$. Parts and oil is provided but again I am not up for haggling I just need you to have the tools and the time! I cannot afford much more so please only text if seriously interested in making 40\$ fast!
