Hello I am a 56 year old responsible professional single male non smoker/social drinker looking for a room/house share/Apt in Phenix City/Columbus area..Full time employed with Exellent work/personal references.Would like to keep it in the \$250-\$400 month range and not into any drama or crazy room-mates..I am from England originally so still have high moral standards!..lol.

Please contact me if you have something that is clean, nice neighborhood and no screaming kids or barking dogs all night from next door neighbors!...I love dogs and tolerate cats...Just got divorced etc so looking to wind down and chill out for the next year...

Thanks for reading and hopefully we can compromise on something..

Thanks for now....
