I will have a 5 year old 6 Bedroom, 4 1/2 Bath Home for rent in Fairview in about a month (I hope!) I was told the Market Rent for this Home should be around \$4200 per month, although that figure is flexible. It also includes a large Basement Room. The lot is 10000 square feet. If this is of interest to you, Call John at I will get more serious about this in about 3.
