

# Looking for an apartment for a couple (bay area)

Location **California**  
<https://www.genclassifieds.com/x-374468-z>

We just moved to CA from the other side of the world for work and are looking for a place to rent for a couple with no kids and no pets. We are both in mid-30's from a polite country, very clean, pretty quiet, respectful, laid-back and usually busy with our own stuff though quite sociable in general.

Looking for an rental apartment/house/condo:

- ? nearby (preferably walking/biking distance to) caltrain station
- ? safe and quiet neighborhood
- ? early moving date preferred
- ? great to have 1 bedroom apartment but small as a studio is ok
- ? \$1600/month without PG&E or less than \$1800/month including everything
- ? Longer term if possible

Contact me if anything available or any questions.

Thanks.
