With APRIL here I really need to find a one bedroom to relocate. Even if I have to pay earlier than my move I'm willing to for the right place. So please, again, contact me directly and don't be afraid leaving a message for I NEED the assistance of an understanding "OWNER/MANAGER" for I have lived in this house for soooo long I find this process very emotional! I would like to be within 10 miles from "KAISER" and stay with my doctors. \$850-\$1,050 per month. And I pay ON TIME! The property goes up for sale in June but I am ready to rent as soon as I find a place I can "call home." Thank you!!

My name is Larry. And I'm going to have to make a drastic change by the end of May/1st of June but need your help now. I'm in my 50's with a very young spirit and have been living in a 3 bedroom home for MANY years in EL SOBRANTE. I'm very educated, having been to UC BERKELEY and graduated in Political Science and DRAMATIC ARTS/FILM. (I love the arts and spent many years working in stand up/"ghost writing," some acting and talent management in Los Angeles). Trying to achieve my dreams which began to be shattered due to a personal tragedy which brought me back to the bay area.

I love the arts, politics, music, theater, film, and I'm low key, reliable, easy to trust and pay my rent on time. Most of the apartments I see have NO inspiration and remind me of expanded hotel suites.

I need a very large 1 bedroom Plus for myself and my cat, "Liza," and tiny office. Hopefully some utilities/washer/dryer/dishwasher/parking space and a wonderful environment that INSPIRES like in POINT RICHMOND or HERCULES near the water, or CROCKETT, or the off beat feeling of

BERKE

My financials are limited in the moment but fair to the independent Owner/Manager. I have a business and I also have a pet and perhaps you know about owning a pet as lived in the person's tragedy and sadness. I want to try writing again as well as stand up though my health is VERY limited, one reason I wish to stay in CONTRA COSTA near my doctors and friends. But also be open to knowing new people in my life as I move forward.

I'm either seeking an off beat (safe) apartment or a great GUEST HOUSE, or very SMALL home, or an inspirational loft with windows, or condo Duplex. (safe environment/area).

---

I deserve to finally find happiness and inner peace as I once had. But that won't happen without YOUR help and kindness, with hopes you'll find me unique in "the best of ways!"

Since my personal tragedy I've lost both parents and there is no communication or barely within the siblings left.

I'm hoping you will help me move my life forward. I've proven myself over the past 7 years living here and being responsible for the home insurance policy and upkeep and property taxes and I can afford between \$800-\$1050\*\*\* dollars per month. And I want to feel that it is my home and that I will take care of it as if it is my home.

\*I KNOW there is an owner/manager out there who would be able to live within the rent allowance I have, knowing it will always be payed full and on time and how much this means to me/my life.\*

No emails.

No pictures.

Just the truth. Contact me directly, feeling free to leave me a message.\*\*\*\*\*

Thank you,
