Location California https://www.genclassifieds.com/x-374476-z

The Apartment:

Beautiful 3 Bedroom/2 Bathroom Lake Merritt Apartment in the park with beautiful lake/park view. The free room is a very well lit corner room and has a bathroom shared with only one other roommate. The kitchen has very modern appliances and the living room/dining room area is very spacious. All hardwood floors, heater/fireplace heated, and street parking. The front yard is the Lake Merritt Park and great for picnics or exercise! Within walking distance we have bars and clubs and are near the BART station to take a straight train into the city.

Current Roommates:

Early 20s Business Sales Trainer -- works a typical 9:00am to 5:00pm schedule. He enjoys playing basketball, yoga, surfing, going to concerts and playing the keyboard.

Early 30s Medical Scientist- works from 11:30pm to 8:00 am on irregular night schedules. I enjoy a good beer, traveling, adventuring, working out and a good movie.

For the most part, due to our different schedules we rarely see each other during the week.

The Perfect Roommate:

We are seeking the perfect roommate and won't accept anything less. We are laid back people and really need someone laid back if they're going to have a good time with us. We're more of a living community as opposed to roommates.
