I am looking for someone who would like to ride along with 2 early 40's corporate word hippies from the Denver area to New Orleans or anywhere between. I am moving back to NOLA, leaving Colorado May 7th to head to Tulsa, OK where we will stay for the night at the ALoft Hotel and wrapping the night up at the BOK Center to join Rush in kicking off the Rush Live40 Tour in which they plan to hitting 34 cities across North America, kicking off May 8th in Tulsa, Oklahoma. This will be a nice road refresher and break up in the usually boring drive. Anyway, we plan to arrive in the New Orleans area by May 9th or 10th. We will be towing a 5' x 8' Uhaul trailer behind my Honda Element, should be some room in the uhaul if you needed it and the Element is surprisingly roomy inside so it should be a comfortable ride. Our departure date leaving Denver is May 7th, late night or possibly early morning on May 8th. We will stay one night in Tulsa and depart Tupsa for New Orleans mid morning and arriving in NOLA on the evening of May 9th. We would love to have someone to ride along who is laid back, free-spirited, drama free and is willing to share driving and pitch in for gas. Like I mentioned, if you needed we will have some extra room in the Uhaul of you needed. Interested? Please contact Tim!
