For the families who have contacted me in the last few months, I finally have a Monday, Wednesday & Friday opening.

I offer a preschool program in addition to child care. Your child will learn letter, number, color and shape recognition and writing skills. In addition we will also develop social skills through play. I have a preschool classroom in my home to help prepare your child for kindergarten.

Katydid Kidd's offers preschool and child care for 2-1/2 year olds - kindergarten. The preschool is a year-round program (including summer months).

To learn more about myself and my program please visit my WEBSITE at, www.KatydidKidds.com.
