My kitty needs a good home. Her is nurtured. Has his shots. He is a well behaved cat. Only one year old. He loves to cuddle and loves being brushed. My kid had an allergy to him. I ask that off you take him you will keep him and take good care of him. I love him dearly but can no longer keep him. Can send pictures as i am unable Upload them. Please only contact Me if you are serious about keeping him and loving him forever in a home setting. He is a mix with tabby cuter then a bug Amd really.
