Do you need a photographer and are on a budget? If that's what you're looking for you've found the right guy. I guarantee to beat anyone's prices without sacrificing quality. I have experience shooting everything from maternity portraits, hospital and at home pics of newborns, children and family portraits including engagement & weddings, college & high school sports and corporate headshots for webpages

I can also professionally edit your photos if you like, send them for printing, have them burnt to a Dvd or put on a flash drive for you to do what you like with them!

I am willing to travel to your location or event or suggest locations for portraits if that's what you so choose.

Thanks for your interest and if you have any questions or want to contact me you can do so by email or by phone/text at
