Pioneer Dual Cassette Stereo Deck (40 USD)

Location **Colorado** https://www.genclassifieds.com/x-374626-z

Pioneer Double Cassette Stereo Deck, Model CT-W208R SR, Colby B-C NR. High speed copy system/playback on one side, and playback and record on the other. Built-in equalizer that can be controlled separately for each deck allowing you to make adjustments when dubbing tapes including reducing or increasing the volume.

Original owner. Great sound quality and cassette can be played without sound and hear no feedback from mechanical mechanisms while playing as so many cassette players did back in the day!
