Woman Only....NO men!!

I'm offering a FREE foot massage, and can travel to you.

Question: What do you get out of this??

Answer: a great foot massage, for FREE, to ease the pain in those arches and toes.

Ques: What do I get out of this??

Answer:

There is no catch to this offer and this isn't a scam, etc. You may be asking yourself why a guy would want to massage a stranger's feet; I just love massaging woman's feet knowing that I am helping them be-able to go to work the next day without their feet hurting them because they've been on them all day long.
