Introductory special!

Sign up now to lock in promotional pricing for Fertilizer application schedules! Other companies are charging \$50 a bag; sign up now and I'll beat that price by 20%! Thats \$40 a bag, or if you have a small yard \$20 for half-bag.

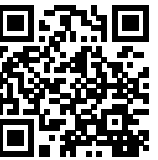

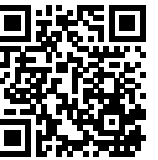

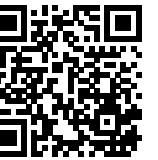

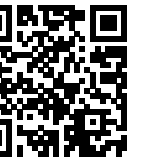

After my promotional period the price will increase to \$45 per bag and \$25 per half, still a 10% savings on the competition!

One time spring applications available, or sign up for a complete fertilizer schedule to keep your lawn thick, lush, and beautifully green all summer long.

I can also Overseed your lawn to thicken it up or do patch repairs on damaged areas. Aeration also offered; poking holes in a compact lawn can stimulate new growth by allowing better access to oxygen, water, and nutrients. My goal is to get your grass as thick and green as possible, and I will evaluate the needs of your lawn to get it looking its best.

Pesticide application including "Weed N Feed" fertilizer, weed control in lawns and gardens, and wasp spray. Pesticide application is performed by Certified Pesticide Applicator and best results will be seen when pesticide application is used as a part of Integrated Pest Management procedures including other forms of pest control/reduction. Pesticide pricing to be determined.

Please email to sign up and schedule your spring fertilizer application, or for any questions.
