

# Little Partners Learning Tower amp Art Easel BRAND NEW (250 USD)

Location **Alaska**  
<https://www.genclassifieds.com/x-374707-z>

I have a BRAND NEW [unopened] Little Partners Learning Tower & Art Easel (Connecting Accessory). Both are Dark Cherry color

REASON FOR SELLING: I ordered one of each of these for my niece, however, the company sent [and charged me for] 2 of them and in order to get a refund, I'd have to pay the extreme shipping fees for the items' return so I rather sell one to someone in Alaska who wants one but who rather not pay the \$139 [total Shipping Costs].

As you can see in the photo of my 'shopping cart', the total price [for both the tower & the easel] = \$260 and the shipping costs are \$139... so the overall total comes out to \$399. Here are the links to the manufacturer's website & each item's description.
