I have several baby items for sale: Serious inquires only please, as I do not have time to play games. Need to sell this stuff asap.

Baby Bullet & Steamer - Both items are brand new and still in the box. The steamer is still in the plastic it came in. I opened the Bullet to wash all the parts but it was never actually used. Comes with a cookbook as well. I'm asking \$100 for both. Willing to separate.

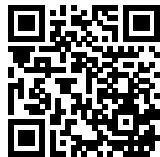

Baby food. All still good and I believe June 2015 was the earliest expiration date I saw on any of the jars or packages. Easily have 2 grocery bags worth. Mostly step 2 w/ some step 3 foods. Asking
