Selling a 1995 Corvette Convertible, bright aqua metallic with white soft top. This car has 63,029 miles with an L1 5.7L 350 engine, auto trans. It has only had two owners and originally lived in Arizona with the current owners sister and was shipped to Alaska. It spends the winter in a heated garage and most of the summer months inside as well. This is a very nice car with no issues, the reason for the sale is the owner has had double knee replacements and is elderly and cannot get in and out of it anymore so as much as he loves this car it is time for someone else to enjoy it. Please serious inquires only, no trades and calls only. asking \$14,600 FIRM. Call Bill @
