I'm subletting my spacious, sunny 1 BR apt. June/July/Aug - flexible in/out.
 UTILITIES are included in rent.

You must be a single, responsible, quiet, professional, non-smoker who can take care of this great apartment. (Couples considered for slightly higher rent)
 No pets. Deposit required. References appreciated. It's really an awesome place, and I want the right person staying here while I'm away.
