Need a cheap place to stay for now. Just need a couch or a bed honestly as I don't have a lot of stuff here yet. I'm a 24-year-old gay male that is new to town. It's a plus if you're in central LA, 420 friendly and have Wi-Fi, but I can make it work without all that. Would prefer to pay by the week or month. Let me know if you have a room, bed or couch available and how much you'd want for it. I'm respectful and not a criminal, you can call my mom or anyone you'd like to confirm lol thank you in.
