The only deal we can't beat is the one we don't know about. Our new prices from Serta are unbelievable. Don't fall for the Superstore Retail Hype, My prices are 50-80% off retail 100% of the time! You can depend on that. Full and Queen mattresses always start at \$100 with kings always starting at \$200. I only stock major brands overstocks, special buys and discontinued models, all still in the factory plastic and all with full factory warranties. Don't take my word for it, shop around and then call, make an appointment and let me prove it to you. I stock only premium mattresses at a fraction of retail pricing. Please call or text to schedule your private showing and prepared to be impressed. Isn't it time you got the sleep you deserve at a price you can afford. All major credit card are accepted and delivery is available. Call or Text
