Every once in a while, life throws us curveballs.

My name is Katie Sadka, with One Stop Shop Real Estate Group here in South Florida. If you have a problem property or a troublesome situation, I may be able to offer you an opportunity to wash your hands of a less than desirable property situation.

Do any of these situations sound familiar?

• Vacant House

• Repairs Needed

• Fire Damaged

• Divorce

• Bad Tenant(s)

• Behind on Payments

• 100% Financed

• Estate Sale

I am prepared to buy your house as-is. . . and will pay you all cash. Size, location, condition, it doesn't matter- even if you have little or no equity. I will even pay ALL the closing costs for you. We are looking for properties in Broward, Dade, and Palm Beach and the surrounding area, can pay cash, and close quickly.
