

# HANDSOME RAGDOLL MIX BOY

Location **Alaska**  
<https://www.genclassifieds.com/x-374865-z>

Ragnor is a handsome ragdoll mix boy. He has a soft plush coat and blue eyes. His coat was very matted and he has been shaved.

Ragnor is a sweet guy who was living outside in Willow. He had been someone's cat but they couldn't keep him so he was left on his own. He LOVES being in a home with a family and is super cuddlebug. He likes to be pet and given attention. He does fine with the other cats in the house but is uneasy with the big dogs. He will need a safe outside place to go when the weather is nice and his hair has grown out.

He is in a foster home in Wasilla.

He is neutered, vaccinated and microchipped. He can be adopted to a loving family for \$60. He will come with our 10 day money back guarantee and our promise that we will always take him back as space allows. He will NOT be adopted out to be declawed.

To meet him, please call Judy at 980-8898
