Losing a friend recently has made me want to say hello and reconnect again.

Malon "Eddie" Edwards - worked N. Slope treatment plant, Parents lived @Foxhall, Maybe in Florida now.

Becky Wilson - once a Teamster on the N. Slope, collected Salvador Dali

Marsha Jackson - was with the Corvette Club, Property Manager

Jane Puckett - we met at GSL, last I heard you were in TX. How's your daughter?

Danny Stanley - & Nancy (mom) & Brother David - I lost you in California after Alaska!

Suzanne Zeppenfeldt(sp) - you old NAWIC'er - where'd you go?

"Eddie" Esparza - once worked for BP on the slope in the late 70's.

If you know of these persons and can put us in touch - please reply to this ad. Thank you!

Kay is my first name - my nickname starts with a "P" - I worked on the slope in the 70's, play a violin, lived in Alaska most of my life - born in Japan - this is a way for them to recognize that I am an old.
