Hi!

If you would like to get back to work but have been worried about finding a trustworthy childcare ..worry no more! I am a mom of two toddlers and have been professionally babysitting for four years. I know CPR and first aid, safety comes first! I have decided to open my own at-home daycare. I supply organic meals and have planned activities and learning curriculum. Also have a fenced back yard for kids to play. We absolutely do not watch any television, don't even have one downstairs.

I am very very patient and skilled with infants and toddlers. This isn't a sudden idea that I thought of one day, I've been taking care of infants and children most of my life :) I am VERY experienced with kids! They are a blessing to me and I would love to be a part of your child's developmental milestones.

My daycare is opening Monday, May 27th. Spots are limited, (i'm only taking 3 children) so call for a home tour!

Rates are very affordable.  
Part -time (25 hours a week) 400 Monthly  
Full time (30 hours or more) 750 Monthly
