I have a great condition AT&T Samsung Galaxy S4 upgraded to Android 5.0.1. The phone has a screen protector, case and charger. I am looking to trade for an AT&T iPhone. I will accept an iPhone 4s ONLY if it's a 64gig other than that it must be an iPhone 5 or higher. If you have an iPhone 5c it has to be Blue or Green. I will entertain other Android phones as well so don't be afraid to offer. If interested shoot me a text @
