Meet Sierra. She is an 11 year old short hair. But don't let the age fool you, she still acts like a kitten. She is front declawed and fixed. She likes to cuddle A lot! She loves her attention. Very spoiled as well. She is the only cat in the house. She's an amazing cat! I believe the perfect fit Is someone who is home and just needs a cuddle buddy. She also loves to talk a lot. She let's you know when something is wrong and will wake you If your sleeping through that pesky alarm. Almost like having a dog just in cat form. She truly is one amazing girl. I don't want to let her go but u fortunately I can not afford a pet deposit. I am also starting a second job and she won't have the attention she gets now.
