Nice room in a nice home for rent only 425\$. The home acts like a apt with your room being the main living space and common areas like kitchen and bathroom. 1/4 of gas, electric, and wi_fi would be the only other bills you would have to pay and that should run between 100_150\$. Laundry on site and all appliances you could need. Month by month lease and rent is due upon move in. Thx have a great
