Hello, I'm currently looking for women who are comfortable with their body and able to do bikini/nude work. You must be energetic, attractive, out-going, and friendly. You will be paid by the hour with all transportation expenses paid. The only requirements for this job are: must be comfortable with a club/party environment, have to be comfortable being nude, must be 18+, and must be social! All you have to do is keep our company entertained, bring us drinks to the table, and have a good time!

Mansion Party Information: This is a party event that consists of a few friends that make good money and love to spend it. We host a poker night/party that we host every month for two days. There will be a full bar provided (you are allowed to participate), catered food, and a pool/jucuzzi. There is plenty of room if anybody needs to stay the night for whatever reason. There will be private rooms for 1-1 interaction if needed.

Please send 2-3 Photos, age information, a number if possible, and body stat.
