

CHRISTIAN MINISTRY NEEDS MORE PARTNERS (ORLANDO)

My name is David Hunt. My wife and I founded New Life Counselors, Inc. in 1978, and we have shared the Gospel of Christ all over America. We have lived and ministered in the Orlando area for many years.

We are now building a Christian Discipleship Training Home in West Orlando, where young "Christ-followers" will be trained to walk with Christ, and share Him with others in the Marketplaces of Central Florida, and wherever else He sends them.

We have invested all that we have into this last major project of our lives and ministry, and we have exhausted our money and credit to do so. Now we are in need of more partners to join us in finishing the task, by donation or loan, as the Lord leads.

The House is now half finished and we need financial help to complete this Kingdom Project. The total needed at this time is approximately \$20,000. If you or anyone you know would like to help us, please call me at anytime between 7am and 7pm daily to set up a time to meet and share the full details.

Thank you for reading this and considering the possibility of joining us in this project.
