2007 Toyota Camry XLE V6 has been in the lot for less than 1 month. The car is in very good condition. Registration good until Aug 15. KBB Values: Very Good: \$12,100 / Good: \$11,500 / Fair: \$10,900. Besides the scratch everything else is in excellent condition and the car has no mechanical problems. Priced well below blue book.

This car is very good and reliable. Drives very smoothly and is very comfortable with large trunk space. I

am leaving the island for work, otherwise I wouldn't sell the car.
