Location **Kansas**  
<https://www.genclassifieds.com/x-375224-z>

We Have For Sale: An unusual piece of Wall Art, it looks like something from the 60's or 70's, but it is not old. \*\*\* SEE PICTURES \*\*\* \$20.00

1) It is made of Plastic, it is Black and White, it is Electric with an inline switch.  
It does not have a light. It is like a piece of Art in motion. When you turn it on, it starts the motion similar to a Kaleidoscope. The designs are always moving and changing. It works fine. I took a few pictures to try and show you how the design is ever changing. It is almost hypnotic.

I think it would look Great in a Teen's Room, Man-Cave, Bar, Game Room, anywhere you want to make it a little more interesting.
