

Looking for musicians (forest park)

Location **Kentucky** https://www.genclassifieds.com/x-375247-z

I'm a poet and ex member of the my high school choir with enough experience to know about reading music and being generally versatile. I'm looking for people, namely those with instrumental talent, who are wanting to make a band with me. I have a few other potential singers, rappers, and a beat-maker who may or may not join us. I'm looking for the basic instruments like drums and guitars but I'm hoping to find someone with something unique to offer. I'd like to talk about what you play, the styles of music you align with, and your poetic/vocal capabilities along with a time we could get together and jam. I'd like to have all applicants to be connected with one another and to, most importantly, form friendships that will make this whole process much easier. I am willing to show you some of my songs in email. The closer you are to my area, the.
