

I WANT TO START A LOUD PUNKGRARAGEFUZZED OUT ROCK BAND. NOW. (Manchester)

Location **Connecticut**  
<https://www.genclassifieds.com/x-375288-z>

I want to start a band that really rocks(see list of influences). I play guitar and have been a touring musician in various bands for over five years now. I want to branch out and jam with some new musicians. I tune my guitar to E FLAT STANDARD. I HAVE A PRIME JAM SPACE WHERE I CAN MAKE NOISE UNTIL TEN PM.

Here's who I am looking for:

- A Drummer
- A Bass Player
- Musicians that can embrace DIY ethic and that are able to play shows and go on tour.
- Musicians with their own gear.
- A bass player with a loud amp. I play out of extremely loud tube amps and I hate to be a snob, but quiet bass amps aren't going to cut it.

Here are my influences:

- The Stooges
- Blue Cheer
- Grand Funk
- MC5
- Annihilation Time
- Coloured Balls
- The Velvet Underground
- My Bloody Valentine
- Sir Lord Baltimore

-Dinosaur Jr.  
-Mudhoney  
-NYC YOUNG GENTS  
-I want to see you  
-Please don't be a dick
