Retired couple would like to adopt a small toy breed dog. We have plenty of time to care for her. If you have a small breed that you just don't have enough time that she deserves we can give her a great home. We also have a 3 yr. old rescue male for companionship and play time. We have a large fenced yard where they can run and play safely. If interested in rehoming please text me a photo and any rehoming fee.
