We have 4 kiddos who are really wanting a puppy to add to our family as we do as well we are looking for a medium to a larger breed but we don't want the pup to be over a year we want it to grow with the kids we have a huge yard are back yard is fenced in with plenty of room for a pup to run and there is plenty of love in this home to add a wonderful pup too if you have a pup with a reasonable rehoming fee let us know I won't pay a outrageous amount for mixed breed if there is no papers I won't pay over \$75 thank
