

Sphynx (naked) cat (West Omaha)

Location **Iowa**
<https://www.genclassifieds.com/x-375305-z>

He is neutered, 4 years old and he is front declawed. He acts more like a dog than he does a cat and he is very smart and loving. Does great with smaller dogs. Will come with his litter box. He is a \$1600 cat and there will be a rehoming.
