Hi! We are a family of 5 looking to add a DOG (no puppies please) to our family. MUST BE HOUSE BROKEN, please do not try to "sell" us your dog for profit. We simply want to give a fur baby a good home. A very small rehoming fee is okay and we could come pick up our new addition as well.

We also have a cat so, our new addition should work well with cats. :) We look forward to hearing from you. Please text or email pics and info, NO.
