

# Lab Puppies (Omaha)

Location **Iowa**  
<https://www.genclassifieds.com/x-375316-z>

I have 2 male black Lab puppies that need re-homing. They are 100% Labrador Retriever. They are currently 9 weeks old. I have had them de-wormed and they're almost completely potty trained. Puppies will come with food, potty pads, and treats. I love these guys and want to make sure they go to good homes. Please call/text anytime at
